“To ask the Minister for Health the steps he is taking to address the shortage of neurology nurse specialists in the South-West regional centre for neurology”

Dear Deputy Cairns

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There are four neurology nurse specialists in post in Cork University Hospital. Interviews were held recently for an additional neurology nurse specialist but none of the candidates were successful. This post will be re-advertised as a priority.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Dr. Gerard O'Callaghan
Interim Chief Executive Officer
