PQ- 55683/21: To ask the Minister for Health when funding will be provided for a Senior Dietician in Midlands Regional Hospital, Portlaoise for an adult insulin pump service

Dear Deputy Stanley,

I refer to the above parliamentary question relating to funding for a Senior Dietician for an adult insulin pump service at the Midland Regional Hospital, Portlaoise.

The continued development of an adult insulin pump service remains a key priority for this hospital. The appointment of a Senior Dietician to support the continued development of the service has been identified and is currently being considered.

I trust this clarifies the matter.

Yours sincerely
