**Re: 56541/21**

*– “To ask the Minister for Health if a vaccination clinic will be available in Drogheda, County Louth for the application of booster vaccines in the months ahead; and if he will make a statement on the matter?”*

Dear Deputy O'Dowd,

Accessibility to vaccination centres is central to the HSE vaccination roll out plan. As such, there is at least one vaccination centre per county. There may be more in areas of increased population.

The nearest central vaccination clinic to Drogheda operates from Fairways Hotel in Dundalk, Co. Louth. This service is supplemented with additional booster vaccination channels such as pharmacies and GPs, as well as vaccination teams visiting residential care facilities, hospitals, the homebound, and other settings (such as food processing facilities) located in the Drogheda area. The details of participating pharmacies are available on the HSE website: <https://www2.hse.ie/apps/services/pharmaciesservicelist.aspx>

I trust this is of assistance.

Yours sincerely,

---
