Re: PQ 56686/21

To ask the Minister for Health the number of persons that have accessed day disability services in each of the years 2017-2020 and to date in 2021 in County Clare in tabular form.

Dear Deputy Wynne,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I wish to advise that the number of people who have accessed Disability Day Services for 2020 and up to the 30th November 2021 is outlined in the table below. However we are not in a position to provide details for the years 2017 to 2019 as the National Database did not gather information for those years.

Year	'Persons accessed Day Disability Services in County Clare'
2021	385
2020	344

I trust this clarifies the situation but should you require any further information or clarification, please do not hesitate to contact me.

Yours sincerely,

**Maurice Hoare
Head of Service, Disability Services**
