PQ 56817/21* To ask the Minister for Health the status of plans to provide a primary care centre for Finglas; the timescale involved; and if he will make a statement on the matter. -Róisín Shortall

Dear Deputy Shortall,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The feasibility study for the Finglas Primary Care Centre (PCC) is complete and demonstrates that a Primary Care Centre will fit on the selected site. The procurement of a design team is now complete and the HSE are currently appointing the selected design team members. The HSE are in advanced discussions with Dublin City Council and City of Dublin Education and Training Board in relation to the proposed site acquisition.

Yours sincerely,
