Deputy Imelda Munster  
Dáil Éireann  
Leinster House  
Dublin 2

**Re: PQ – 57371/21 - To ask the Minister for Health the up-to-date position with regard to the east Meath primary care centre; when it will be operational; and if he will make a statement on the matter – Imelda Munster**

Dear Deputy Munster,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

The proposed primary care building will be provided via the HSE's operational lease model. Negotiations are ongoing on the agreement of legal documents. It is hoped these negotiations can be concluded before year end to allow works to commence in Q1 2022. It is expected that the centre will be operational Q4 2022.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
