**PQ 58081/21**

**“To ask the Minister for Health the number of applications for births, deaths and marriages that are currently waiting to be processed in County Wicklow; the average waiting time for applications to be processed; and if he will make a statement on the matter – John Brady”.**

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 58081/21), which you submitted to the Minister for Health for response.

The applications for births, deaths and marriages are being processed on a week by week basis in the Civil Registration Service office in County Wicklow. There is currently a backlog of 6 weeks for the Dublin, Kildare and Wicklow offices.

I trust this information is of assistance to you.

Yours sincerely,
