**13 December 2021**

**Dara Calleary  
Dáil Eireann  
Leinster House  
Kildare Street  
Dublin 2**

**PQ 58475/21: To ask the Minister for Health if he will provide a list of dentists who currently as of 22 November 2021 provide treatment under the medical card scheme in counties Mayo, Galway, Sligo and Roscommon in particular emergency treatment; and if he will make a statement on the matter.**

Dear Deputy Calleary,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Under the Dental Treatment Services Scheme (DTSS) Dentists who have a contract with the Health Services Executive (HSE) can carry out dental treatment, including emergency dental treatment, for patients who have a medical card. If someone is over 16 years and has a current medical card then that person is entitled to free dental treatment from any of the Dentists on the DTSS list.

Appendix 1 provides a current list of dentists (as at 14<sup>th</sup> December 2021) who have a contract with the DTSS in counties, Galway, Mayo, Sligo and Roscommon.

The HSE is aware that some medical card holders have experienced difficulties in accessing dental treatment under the Dental Treatment Services Scheme. Where this is made known to the HSE, each enquiry and representation is followed up by local community services who seek to assist medical card holders.

I trust this information is of assistance to you, but if you require further clarification please do not hesitate to contact me.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Joe Green', written over a horizontal line.
