RE: To ask the Minister for Health the number of WTE consultant paediatric cardiologists attached to CHI Temple Street in each of the past four years, in tabular form.

The National Centre for Paediatric Cardiology Service is in Children's Health Ireland (CHI) at Crumlin. CHI at Temple Street has one Consultant Paediatric Cardiologist. Her commitment is 0.36 Whole Time Equivalent (WTE) which equates 14 hours per week.

For the period 19th November 2018 to 18th November 2019, CHI at Temple Street employed a General Paediatrician with an interest in Cardiology via CHI at Crumlin to support the service across both sites with a 0.5 (WTE) which equates to 19.5 hours in CHI at Temple Street.

Yours sincerely
