Re: PQ ref 59123/21 – *To ask the Minister for Health if he has received a submission for a specialist centre for intestinal failure; if he plans to deliver a specialist centre at St James's Hospital, Dublin; and if he will make a statement on the matter.*

Dear Deputy Cullinane,

St James's Hospital (SJH) submitted a business case in 2016 for the establishment of a national intestinal failure specialist unit for adults (hub and spoke model), which was not fully approved. A limited number of posts in the business case were approved; a consultant shared with Children's Health Ireland (CHI); Clinical Nurse Specialist; clinical nutritionist and an administrator. The current service provided supports intestinal failure rehabilitation for transition patients from CHI and a rehabilitation service for SJH patients.

Yours sincerely,

Mr Noel Gorman

Chief Operations Officer
