Re: PQ ref 48530/21 – Dementia Day Services

Dear Deputy Dillon,

I refer to PQ ref 48530/21 uploaded on the PAD System on 6th October, 2021 and due for response on 18th October, 2021 regarding further representations that you have received in respect of Dementia Day Services. Apologies for the delay responding to this query. The HSE has been requested to reply directly to you on this matter. The following response outlines the position.

There has been a review done of Dementia Services in Community Healthcare West which included both Alzheimer's Society of Ireland and Western Alzheimer's. This is currently being progressed.

Western Alzheimer's have just received extra funding through the National Dementia Office to provide in house respite.

I trust this response has clarified the matter you have raised in this instance.

Yours sincerely,

Siobhan O'Sullivan
A/Head of Service
Older People's Services
Community Health Care West.
