Deputy Holly Cairns, T.D.,
Dáil Éireann
Dublin 2

PQ ref 49064/21:

"To ask the Minister for Health the status of the upgrade of Dunmanway hospital; and if he will make a statement on the matter".

Dear Deputy Cairns,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The project to upgrade Dunmanway Community Hospital has been complete since the end of 2020. Works included construction of an extension comprising a new sitting room, visitors' room and toilet facilities. The completed refurbishment has greatly enhanced the lived experience of the residents in Dunmanway Community Hospital.

Upgrade works to the emergency lighting system were carried out this year and were completed in recent months.

I trust this clarifies the position. If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Jackie Daly
Head of Service for Older People
