PQ49309/21 To ask the Minister for Health the persons or body that conducts the HSE staff survey; and the breakdown of participation in the HSE staff survey in addition to overall staff participation. - Peadar Tóibín

Dear Deputy,

I refer to your recent parliamentary questions above which was sent to the HSE for reply.

The Staff Survey Your Opinion Counts 2021 was conducted by Core Research following a public tender process and in conjunction with the HR Division of the HSE.

The Survey was open to staff directly employed by the HSE and other HSE funded agencies (such as Section 38 and Section 39 organisations) could partake in the survey.

The Survey closed on 18th of October 2021.

12,957 people completed the Survey which equates to an overall response rate of 8% of the total staff numbers employed either directly by the HSE or in Section 38 and Section 39 agencies.

Yours sincerely,
