PQ 49355/21 To ask the Minister for Health if he will address a matter regarding Killarney community nursing unit (details supplied); “Minister, under the newly published National Development Plan, Killarney Community Nursing Unit is to receive funding for a residential care centre, can you confirm how much funding will be allocated to this and what is the time line for this project” and if he will make a statement on the matter. -Michael Healy-Rae

Dear Deputy Healy-Rae,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE are planning to replace the existing facility for Older Persons Killarney with a new 130 bed Community Nursing Unit.

This project is part of a bundle of 7 projects to be delivered by Public Private Partnership (PPP).

The funding for the project is being provided by the PPP Consortium and will be repaid by the HSE by way of Unitary Payment during the 25 year concession period. The funding for these payments will be included in the HSE’s Capital Plan. Construction is expected to commence in July 2022 and completed in 24 months.

Yours sincerely,

Jim Curran
