Dear Deputy Tully,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

As of 18.10.2021, 18 applicants have been offered permanent roles and are awaiting a start date. These posts relate to the following staff categories: Nursing/Midwifery, Health and Social Care and General Support.

It is anticipated that all staff will be in post by end of year.

We trust this information is of assistance to you.

Yours sincerely,
