PQ 50236 - To ask the Minister for Health the details of the recruitment of additional diabetes nurse specialists for University Hospital Waterford; and if he will make a statement on the matter.

Dear Deputy Cullinane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that 1 Advanced Nurse Practitioner (ANP) Post for University Hospital Waterford was recently advertised and interviews are scheduled to take place later this month. Also, 1 Clinical Nurse Manager (CNM2) Integrated Care Programme (Slaintecare) Post) is currently advertised as a temporary post.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

Grace Rothwell
