PQ ref 51197/21 - To ask the Minister for Health the current position regarding funding for the Cleary Centre capital project in Donegal Town; and if he will make a statement on the matter.

Dear Deputy Pringle

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have examined the matter and can confirm that the Cleary Centre project has been included in the HSE's 2021 Capital Programme and has been granted a capital allocation in 2021. Approval was conveyed by the national HSE Estates office to initiate the project in 2021 and Estates North West has commenced the process to appoint a Design Team.

The approved capital budget for this project is €2.4m of which €0.1m expenditure was approved in 2021. This total capital budget is to fund all the capital costs associated with the project such as construction costs, design fees, equipment costs.

I trust that this is of assistance but please do not hesitate to contact me if you require anything further.

Yours sincerely
