Deputy Seán Sherlock  
Dáil Éireann,  
Dublin 2.

**PQ ref 42402/21**

**“To ask the Minister for Health the number of children under the age of 18 years awaiting a first-time appointment since being switched to the new children's disability network team for Central Cork City by age, intervention type, SLT, occupational therapy and physiotherapy in tabular form.”**

Dear Deputy Sherlock,

The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

There isn't a children's disability network team (CDNT) for Central Cork City and therefore, there are no data records on this location. There is a CDNT for Central Cork and data has been made available from this team and returned in separate response (PQ ref 42397/21).

I trust this clarifies the situation for you.

Yours sincerely

**Ms. Majella Daly,**  
**Head of Disability Services,**  
**Cork Kerry Community Healthcare**
