To ask the Minister for Health the steps he is taking to support the children identified in audiology misdiagnosis in counties Roscommon and Mayo; and if he will make a statement on the matter.

Dear Deputy Naughten,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

The children identified through the HSE Audiology recall and audit in Roscommon and Mayo have individual care plans as determined by their clinical needs. These care plans are being implemented by the Audiology Service in both Mayo and Roscommon.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

Mary Warde
