Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions which you submitted to the Minister for Health for response. Your PQs above have been referred to me for response.

Consultants pay and the proposition of a new public only contract is currently the subject of on-going discussion with staff representatives under the auspices of the appropriate industrial relations channels. Consequently it is not possible to make any assumptions or provide any estimates associated with same currently.
