Minister Catherine Martin TD
Dáil Éireann
Dublin 2

Dear Deputy Martin

I refer to recent PQ which has been forwarded to me for attention.

PQ

To ask the Minister for Health the number of paediatric bone densitometry scanners in each of the paediatric hospitals in tabular form; and if all scanners are sufficiently staffed

Children's Health Ireland (CHI) can confirm that there is one DXA (bone densitometry scanner) in CHI at Temple Street which is staff. Tallaght University Hospital provide CHI access to their DXA in Radiology through a Service Level Agreement (SLA).

I trust this is of assistance to you.

Your sincerely

Joe Gannon
