PQ 44686/21 * To ask the Minister for Health when the construction of a new radiation oncology unit for University Hospital Galway is expected to be completed; and if he will make a statement on the matter. -Rose Conway-Walsh

Dear Deputy Conway Walsh,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

It is expected that construction of the new Radiation Oncology Unit for University Hospital Galway will be completed in July 2022.

The equipment installation and commissioning will continue until the end of 2022.

The first patients will be treated in the new centre in early 2023.

Yours sincerely,

Jim Curran
