**PQ Number: 45225/21**

**To ask the Minister for Health the number of alcohol-specific rehabilitation and detox beds by facility in 2019 and 2020 respectively, in tabular form.**

**PQ Number: 45226/21**

**To ask the Minister for Health the number of HSE and State owned and run alcohol rehabilitation and detoxification beds in the State.**

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to your above Parliamentary Questions which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

A significant number of presentations are poly-substance use involving drugs and alcohol. Therefore beds are often interchangeable and treatment interventions cover the range of substances which may be misused. However, the table below outlines the number of alcohol specific rehabilitation and detoxification beds by facility in 2019 and 2020 respectively. Cuan Dara and Beaumont are the two current HSE run detox and rehabilitation facilities.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

---

National Lead, Social Inclusion
