PQ 45295 /21 *To ask the Minister for Health when works are due to commence on the new accident and emergency department at Beaumont Hospital, Dublin 9; and if he will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Beaumont Hospital has commenced a project to replace the Accident and Emergency Department on the hospital campus. The project is currently progressing through the brief clarification and initial scheme design stage. It is envisaged that this project will continue to progress over coming years subject to normal approval processes and the availability of capital funding.

Yours sincerely,

Jim Curran
