PQ 45300/21 To ask the Minister for Health the number of community-based neuro-rehabilitation teams in CHO9; and if he will make a statement on the matter. David Cullinane TD

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Community Healthcare Organisation Dublin North City and County (CHO DNCC) does not have specific community-based neuro-rehabilitation teams.

Any neuro rehabilitation is carried out as part of our Primary Care Services. Our Older Persons Service provide a Stroke Rehabilitation Team and Older Persons Rehabilitation Team in St Mary's Hospital in the Phoenix Park, Dublin.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely

Tom O' Brien
Head of Service Primary Care
