Dear Deputy Kelly

I refer to your recent PQ which has been forwarded to me for attention.

**PQ**

**To ask the Minister for Health the number of fractional CO2 laser machines that are in use in CHI Temple Street and CHI Crumlin; and if there are sufficient trained staff available in both hospitals to use these machines.**

#### **Children's Health Ireland (CHI) Response**

Children's Health Ireland (CHI) can confirm that there are no fractional CO2 lasers in CHI at Temple Street. CHI at Crumlin have one CO2 laser machine and a sufficient number of trained staff are available for the use of this machine on site.

I trust this is of assistance to you.

Your sincerely
