PQ 47373/21 * To ask the Minister for Health the status of the primary healthcare centre in Portlaoise, County Laois; and if he will make a statement on the matter. - Charles Flanagan

Dear Deputy Flanagan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Portlaoise Primary Care Centre is being delivered by way of a HSE capital development on the grounds of St Fintan's Hospital Campus and is included in the HSE's Capital Plan.

HSE Capital & Estates have appointed a design team for the Portlaoise PCC project and the project team are progressing through the preliminary design phase. It is expected that the planning application for the development will be submitted in 2022.

Yours sincerely,
