Re/PQ Ref: 17516/22

PQ
17516/22

To ask the Minister for Health the number of overtime hours worked by HSE staff by staff category, for example, medical and dental and grade, for example, consultant from 2011 to 2021 and to date in 2022, on an annual basis in tabular form; the number of persons to whom the overtime hours refer in each of the years; and if he will make a statement on the matter

Dear Deputy Cullinane,

I refer to your PQ 17516/22 request, unfortunately, I am unable to provide the details from 2011 to 2015, however, I have attached an excel spreadsheet with details requested from 2016 to March 2022 in 'Cash' Values of the 'Overtime' paid and 'number of employees' that the overtime values refer to.

All data is for Finance Shared Services HSE Statutory services only – it excludes all S38/S39 funded agencies and agency costs and is based on pay dates, which fell into 2016 to March 2022.

- The attached excel file was based on (master data) grade code as at end of each calendar year.
- Most entries were provided as 'cash values' not 'hours' on the various time/payroll systems so I am providing 'Cash' Values instead of 'Hours'.

Yours sincerely,
