Ref: PQ 17648/22

To ask the Minister for Health the eligibility requirements to become a registrar; and if he will make a statement on the matter.

Dear Deputy Cullinane,

In relation to the eligibility criteria for a doctor to the post of registrar, he / she should have at least 24 months post qualification (completion of internship) experience before being eligible for such an appointment. Doctors must also be registered, or have established eligibility for registration in the correct division of the Register of Medical Practitioners, maintained by the Medical Council of Ireland, in accordance with the Medical Practitioners Act 2007.

Yours sincerely,

Leah O'Toole
Assistant National Director
