PQ Question: To ask the Minister for Health the funding provided for mental health and addiction services linked to homeless service provision provided by his Department by year and project from 2016 to date in tabular form - Eoin Ó Broin

Dear Deputy Ó Broin,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Currently, Mental Health are not in a position to report on expenditure and budget by service category. The current financial reporting system is aligned to Annual Financial Statement type (i.e. nursing pay, Drugs & Medicines etc.) and does not align to the services and sub-services in operation. The Future Health Report identified the financial and service information systems of the Health Service as not fit for purpose. In order to address this, over 200 legacy financial systems will be moved to a Single Integrated Financial and Procurement Management System (IFMS). This process is now underway and the IFMS project is currently in the detailed design phase. When the IFMS system is fully implemented, Mental Health will be in a position to report on expenditure and budget by service category however we are currently not in a position to do so

I trust this information is of assistance to you. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

Jim Ryan
Assistant National Director - Head of Operations
