Deputy Paul Donnelly

Dáil Éireann

Leinster House

Dublin 2.

PQ 19664/22 - To ask the Minister for Health the total revenue income from charges in hospital carparks annually; the amount it costs to run the carparks in the same year; the revenue annually to the HSE in the case in which a carpark is run by a private company.

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I am advised by National Finance Division that the finance ledger systems do not hold the type of detailed information sought by you in parts 2 and 3 of your PQ.

Please see attached car parking income for 2020 and 2021 by acute hospital provided by the National Finance Division. Please note that the 2021 figures are draft, unaudited and subject to change.

I trust this is of assistance to you.

Yours sincerely,

Carol Ivory

General Manager,

Acute Operations
