Dear Deputy Ward,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Currently there is no mental health data collection system by diagnosis. The National Clinical Programme for Eating Disorders (NCPED) have engaged with the Office of the Chief Information Officer in relation to developing a data system that will track patients over time. Therefore, the data requested by the Deputy in the above Parliamentary Question is not available at this time.

I trust this information is of assistance to you. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

---
