PQ 27079/22

“To ask the Minister for Health the budget that has been allocated for the commencement of a demonstration project to develop planned access to residential services as contained within the HSE Service Plan 2022; and if he will make a statement on the matter”.

Dear Deputy Tully

I refer to PQ 27079/22 uploaded on the PAD System on the 6th May 2022 and due for response on the 19th May 2022 regarding representations that you have made to the Minister for Health concerning “the budget that has been allocated for the commencement of a demonstration project to develop planned access to residential services as contained within the HSE Service Plan 2022; and if he will make a statement on the matter”. I wish to apologise for the late response to PQ/27079/22. The HSE has been requested to reply directly to you on this matter. The following response outlines the position.

Please be advised that CHW received development funding of €150,000 in 2022 which is being allocated for the commencement of a residential/housing pilot project. Work is currently underway with our voluntary agency partners in this regard.

I trust that this response has clarified the matters that you have raised in this instance.

Yours sincerely
