PQ 20809/22

To ask the Minister for Health if the business cases approved by the HSE over the past five years have been paid in full to SOS, Kilkenny; if not, if he will confirm the balance of funding due to SOS; and if he will make a statement on the matter.

Dear Deputy McGuinness,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following is the current position.

The HSE has fully funded SOS for the costs incurred in 2021 and are working jointly with SOS to agree through a review process the service requirement for 2022.

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Ms. Anne Ennis
