Deputy Paul Murphy

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm discussions are still ongoing in relation to the development of Community Neuro Rehabilitations teams within CH07 and this will be progressed in 2023.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
