Deputy Wynne,
Dáil Eireann,
Leinster House,
Dublin 2.

19th January 2023

PQ Ref 60324/22 - To ask the Minister for Health the number of community healthcare networks in each CHO, in tabular form; and if he will make a statement on the matter.

Dear Deputy Wynne.

I refer to your parliamentary question which was passed to the HSE for response.

In line with Sláintecare, the Enhanced Community Care Programme (ECC) objective is to deliver increased levels of health care with service delivery reoriented towards general practice, primary care and community-based services. The focus is on implementing an end-to-end care pathway that will care for people at home and over time prevent referrals and admissions to acute hospitals where it is safe and appropriate to do so, and enable a “home first” approach.

The ECC Programme was allocated €240m for the establishment of **96 Community Healthcare Networks (CHNs)**, 30 Community Specialist Teams for Older people, 30 Community Specialist Teams for Chronic Disease, national coverage for Community Intervention Teams and the development of a volunteer-type model in collaboration with Alone.

In response to your query regarding the number of Community Healthcare Networks in each CHO, please see attached Appendix 1 attached for your information.

I hope the above is of assistance to you.

Yours sincerely,

**Geraldine Crowley,
Assistant National Director,
Enhanced Community Care Programme &
Primary Care Contracts**
