**To ask the Minister for Health the amount that has been allocated to Mayo University Hospital under the winter plan; the way that this compares to other hospitals in the West/North West Hospital Group (details supplied); and if he will make a statement on the matter. -Alan Dillon**

Dear Mr Dillon,

Please see the attached document, which illustrates the posts received by MUH via the winter planning process 2022. The Saolta Group can provide the winter planning information for all the other acute hospitals.

I hope that clarifies the matter.

Kind Regards,

**Catherine Donohoe**  
Hospital Manager
