“To ask the Minister for Health the number of acute inpatient beds on wards A, B and C at a hospital (details supplied); the number of beds in these wards currently not in use and closed; the reason that these beds are not in use; and if he will make a statement on the matter.” -Alan Dillon

Dear Mr Dillon,

In reference to the above query, the number of acute beds are as follows: A Ward – 33, B Ward – 38, and C Ward – 33.
All beds in all of these wards are in use at present. No beds are closed.

I hope that clarifies the matter.

Kind Regards,

Catherine Donohoe
