To ask the Minister for Health further to Parliamentary Question No. 1661 of 8 September 2022, the progress that has been made with prospective developers on the provision of the primary care centre scheduled for an area (details supplied); the timeline for delivery of this centre; and if he will make a statement on the matter.

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

Prospective developers and their sites have been shortlisted for the proposed Primary Care Centre in Bangor Erris. It is hoped to progress and request priced offers from the developers in early 2023.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,
