Deputy Neasa Hourigan
Dáil Éireann
Leinster House
Dublin 2

PQ 60676/22 - To ask the Minister for Health the current number of radiologists and radiology technicians working in Ireland, per head of population. - Neasa Hourigan

Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I am not in a position to provide the information as requested per head of population. However, I have attached a report containing the WTE as of November 2022 for the two radiography grade groups within Health & Social Care Professionals – Radiographers and Radiation Therapists.

I trust the above is of assistance.

Yours sincerely,

John Smith
Assistant National Director
Acute Operations
