Mr Pádraig O'Sullivan, TD
Dáil Éireann,
Dublin 2.

PQ ref 60744/22

"To ask the Minister for Health if he will provide an update on the roll out of a community neuro-rehabilitation team in CH04; and if he will make a statement on the matter"

Dear Minister O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

There is a very limited service of neuro-rehabilitation being provided within CKCH primary care. There are limited services that are being supplied by Neuro-Rehab Occupational Therapists and Physiotherapists across CKCH but this currently does not amount to a structured neuro-rehabilitation team as such.

There is no development funding for a community neuro-rehabilitation team at present.

This is something that we are looking at developing in the future.

If I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely,

Priscilla Lynch
Head of Service - Primary Care,
