Dear Deputy Connolly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The developer of the proposed primary care centre at Galway City West has confirmed to the HSE that the planning permission application was lodged with Galway County Council on Monday 12<sup>th</sup> December 2022.

Subject to the approval of planning permission it is anticipated construction on the new Galway City West primary care centre could commence in late 2023, and be operational in 2026.
