Dublin 2.

PQ ref 61620/22 - “To ask the Minister for Health the degree to which it is intended to ensure that primary care centres are provided throughout County Kildare with particular reference to growing population centres”

Deputy Bernard Durkan

Dear Deputy Durkan,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm a new Primary Care Centre in Naas Co Kildare is planned to meet the needs of the growing population this is in the early stage of development. There are also plans for Primary Care Centres to provide for the population in Leixlip and Maynooth and this is at the early stage of development and discussions and negotiations are ongoing.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
