**Ref: PQ 61766/22**

**To ask the Minister for Health the reason the HSE has not published a performance assurance report since its June 2022 publication; and if he will make a statement on the matter**

---

Dear Deputy Cahill,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for response. I apologise for the delay in responding to you and any inconvenience caused.

Quarterly Performance Profiles and associated Management Data Reports are published following the conclusion of the relevant reporting cycle and are made available via the follow link:  
<https://www.hse.ie/eng/services/publications/performance-reports/>.

It is worth noting that activity data is reported two months in arrears, therefore the September 2022 (Q3 2022) performance data was considered as part of the November performance cycle process. Following conclusion of this process which includes consideration at HSE Board and Department of Health level, it is expected that the Q3 2022 Performance Profile will be published shortly.

I trust that this information is of assistance to you.

Yours sincerely,

  
Damien McCallion  
Chief Operations Officer
