**To ask the Minister for Health if class 3 medical stockings for vascular edema will be included on the medical card for those with a prescription; and if he will make a statement on the matter. -Holly Cairns**

Dear Deputy Cairns,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 61991/22), which you submitted to the Minister for Health for response.

There are a range of Class 3 compression hosiery (British Standard and European Standard) available on the Reimbursement List for those with GMS eligibility. A maximum of two pairs per calendar year is reimbursable under the GMS scheme.

Yours sincerely,
