Deputy Paul Donnelly
Dáil Eireann,
Dublin 2.

PQ ref 62179/22 – “To ask the Minister for Health the current waiting times for aids and appliances in CHO7”

Deputy Paul Donnelly

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm there is no waiting time/list for funding at this time.

The waiting time for provision/supply of equipment however is a different matter and is affected by the below:

- Application process - all information/risk assessments being completed regardless of whether the application is being made in-house or by an outside organisation.
- Availability of the equipment by our recycling partner
- Supply chain issues if equipment is being ordered.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
