**PQ 62694/22 – “To ask the Minister for Health the timeline for the reopening of Keltoi” –  
Thomas Gould TD**

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There is currently no update on the timeline for the reopening of Keltoi building as a rehabilitation facility. The building continues to be required to operate as an isolation facility for vulnerable populations including Ukrainian nationals.

Community Healthcare Organization Dublin North City and County (CHO DNCC) continues to provide additional placements in other Tier 4 providers who specialise in the provision of dedicated inpatient and residential treatment for addiction, with additional beds purchased to meet demand which was previously utilised in Keltoi.

I trust this information is of assistance to you.

Yours sincerely

Lorraine Brown  
Acting General Manager  
Social Inclusion Addiction Service
