**Re: PQ 63069/22 –
MRI Scanner – WGH**

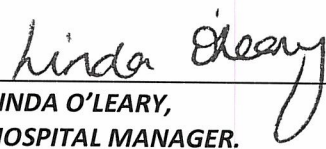

Dear Deputy Murphy,

I refer to recent PQ with regard to the above.

I wish to advise that the Design Team for the project was appointed in October 2022. Stage 1 preliminary design is in progress and due to be completed in mid-January 2023. The Building Contractor is estimated to be on site in October 2023, with a building completion date of August 2024, to be followed by equipping and commissioning. It is envisaged that the MRI Scanner will become operational in Q1 2025.

I trust that this information is helpful to you.

Yours sincerely,

LINDA O'LEARY,
HOSPITAL MANAGER.
