PQ 10818/22 To ask the Minister for Health if he will provide an update on the planned development and refurbishment of the former Monasterevin day-care centre; when the tender documents which are expected to issue in quarter 1 2022 will be issued; and if he will make a statement on the matter. -Pádraig O'Sullivan

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The works to renovate Monasterevin Daycare Centre are out for tender at present with an original tender return date of 25th February 2022 specified. A 2 week extension of time has been sought and granted.

Subject to satisfactory tender response and on securing requisite approvals, it is expected that funding will be provided for this project in the HSE's Capital Plan and it is anticipated that construction could commence in Quarter 2, 2022 and be completed during 2023.

Yours sincerely,
