Deputy Claire Kerrane,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

Dear Deputy Kerrane,

Re: PQ4550/22: *To ask the Minister for Health the number of full-time medical, nursing and dental staff by job title working in the dental clinic at Roscommon University Hospital; the number of vacancies by job title within the clinic; and when each vacancy will be filled in tabular form*

The HSE has been requested to reply directly to you in relation to the above Parliamentary Question / Public Representation that you submitted to the Minister for Health for response. The following outlines the current position.

The Dental outpatient service in Roscommon is under the governance of Primary Care, CHO West. Up to 2019 dental clinics were held in the Outpatients Department at Roscommon University Hospital but were separately staffed by the Primary Care Service. In 2019 the dental clinics were relocated to the Primary Care Building in Roscommon Town. Queries in relation to the staffing of these clinics should be redirected to the General Manager, Primary Care Services Mayo & Roscommon, Community Healthcare West, St Mary's Headquarters, Castlebar, County Mayo.

Yours sincerely,
